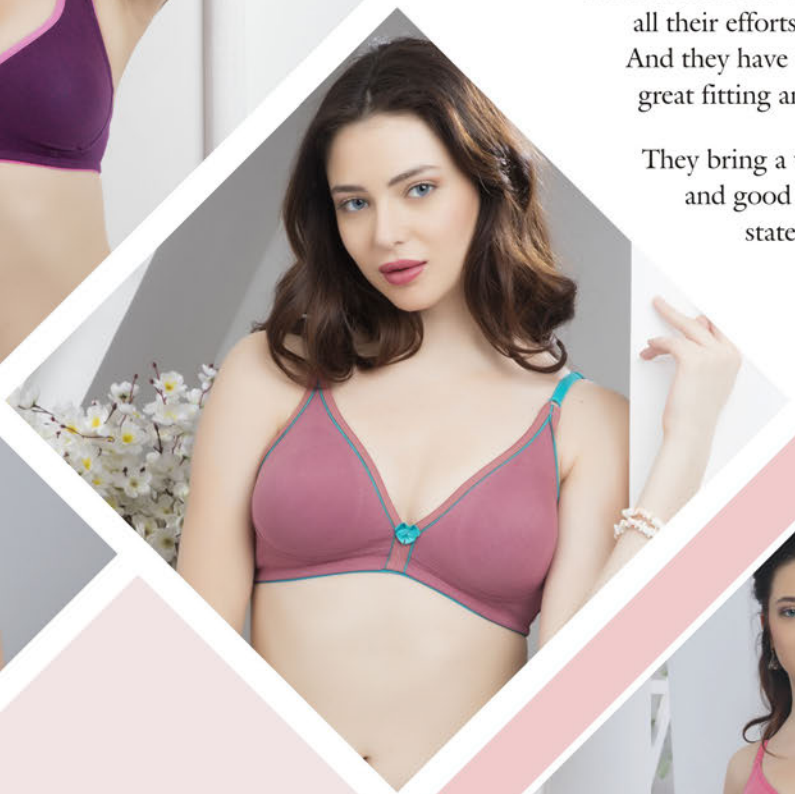
Hit Fit & Comfort



COMPANY OVERVIEW

Ghanshyam Enterprise was established in 1984 by Mahendrabhai Patel and Ghanshyambhai Patel. They already have a lot of experience within the lingerie industry and decided the time was right to start their own business involving their other family members as well.

Based in Ahmedabad, Ghanshyam Enterprise is one of the leading manufacturers of Bra & other Lingerie Products in India. The company sells all their lingerie products under **"Hemali"** brand. They have a wide variety of bra range in B, C, D, DD & E cups in cotton, hosiery, fancy bras, bra-panty sets, moulded bras, sports bras, camisoles & basic bras. They manufacture in a variety of sizes from 30" to 44". The company has also taken care of fitness, shape, health, comfort & feelings while manufacturing its products.

Their products are manufactured in multiple locations from Ahmedabad, Mumbai in most modern factories with all the latest know how in garmenting. They mainly concentrate all their efforts on sourcing the perfect fabrics, Trims & components for each style. And they have the design expertise to create a collection of beautifully comfortable, great fitting and really supportive non-wired lingerie that looks and feels fabulous.

They bring a value proposition of value for money products with excellent quality and good service and salebility of their brands products. They have markets in states like Gujarat, Maharastra, Karnataka, Rajasthan and they are slowly expanding their markets in other parts of the country.
